WIS PTO

WIS has an awesome PTO! We have a very excited group of parents that are working to make WIS a great place for the whole family. They are sponsoring events, activities and most importantly our students. It is open to all parents, so please stop by the meetings which will be held the 1st Friday of each month. Keep an eye out for upcoming events.

They can be located on facebook WIS PTO or email pto4wis@gmail.com

Message from the Superintendent

California State Law clearly stipulates that students should attend schools in their district of residency. Inter-district attendance agreements may be granted for specific reasons. Should you be interested in applying for such a permit, please be reminded that all applications must be submitted to the District Office prior to January 1, 2020. Approval will be contingent upon your meeting this deadline, along with your satisfying one or more of the established eligibility criteria. Please know that as all agreements automatically terminate at the end of each school year, re-application is an annual requirement.
