WIS Band Program

Please plan on attending our annual Winter Concert on Wednesday, December 19th at 6:00 p.m. in the WIS Gym. This event will feature both the Cadet and Cardinal Bands.

1st Semester Grade Report

Friday, December 20th is the end of the 1st Semester. Please note report cards will be coming home Friday, January 10th following Christmas Vacation. With the District's Promotion Policy requiring at least a 2.0 grade point average on all Semester grades, should your child not achieve this, please contact his/her teachers immediately to develop a game plan for remedying the problem.

Canned Food Drive

Please consider contributing to our annual Holiday Canned Food Drive. We will be collecting canned food from December 2nd through Wednesday, December 18th. All food collected will be donated to a local food bank to help people in need. Let us not forget those who are less fortunate than us during the holiday season! To encourage participation we have a competition between 1st period classes, with the winning class receiving a prize!

Message from the Superintendent

California State Law clearly stipulates that students should attend schools in their district of residency. Inter-district attendance agreements may be granted for specific reasons. Should you be interested in applying for such a permit, please be reminded that all applications must be submitted to the District Office prior to January 1, 2020. Approval will be contingent upon your meeting this deadline, along with your satisfying one or more of the established eligibility criteria. Please know that as all agreements automatically terminate at the end of each school year, re-application is an annual requirement.

As we have excellent schools and are able to provide an outstanding, well-rounded educational opportunity for your children, we highly encourage their continual enrollment in Willows Unified School District.
