

WIS
Science club
Valentine fundraiser

The science club is raising money to go to Monterey Bay Aquarium or the Exploratorium in San Francisco this Spring.

We are selling 1, 3, 6 and 12 flower carnation bouquets. Orders and money need to be in by Wednesday February 10th to Mrs. Steward. They will be delivered Thursday and Friday. If there are extra flowers after presales we will sell individual flowers for \$1.50 each.

Please include payment with the bottom portion of this flyer.

Thank you.
